It's Too Late

Par SMALL FACES

Album : *ULTIMATE COLLECTION (2-CD) Disc 1*

My daddy told me there'll be girls like you

I guess my daddy had his hard times too

I'm askin' you baby

Why make me wait?

You better love me now

(Before It's too late)

(It's too late)

Now that I need you

(It's too late)

Now that I love you yeah

(It's too late)

I thought we'd make it

(It's too late)

But I can't take it

I'm beggin' you baby

Won't you give me a break

You better love me now

(Before It's too late)

(It's too late)

(It's too late)

(It's too late)

(It's too late)

I'm beggin' you baby

Won't you give me a break

You better love me now

(Before It's too late)

I know it's too late

Yes I do

Cause I can't fool myself no longer

And I hear my conscience keep on saying

(It's too late)

Who was I foolin'?

(It's too late)

Only myself yeah

(It's too late)

And I can't stay here

(It's too late)

Like no fool gonna share no no no

(It's too late)

Ohh it's too late baby

(It's too late)

Ohh it's too late now

(It's too late)

Ohh it's too late baby

(It's too late)

Ohh it's too late now
