# Time To Buy A Futon

Par SNFU

*Album : ...And Yet, Another Pair of Lost Suspenders*

My bed's one rocky lump

And my back, it always seems to ache

Whenever I partake in sex

The damn bed always breaks

**Looks like it's time**

**Looks like it's time, time, time**

**You said it's time for what?**

**Yeah, it's time to buy a futon**

Why haven't I thought of this before?

After all, I'm surrounded by futon stores

It's the new wave of sleeping and I'm into new wave?

Better get myself a futon today

**Looks like it's time**

**Looks like it's time, time, time**

**You said it's time for what?**

**Yeah, it's time to buy a futon**

**Looks like it's time**

**Yeah, it's time to buy a futon**

**Looks like it's time**

**Yeah, it's time to buy a futon**

**Looks like it's time**

Oh baby, it's best to get futon

**Looks like it's time**

**Yeah, it's time to buy a futon**

**Looks like it's time**
