Soul Inside

Par Soft Cell

Album : The Best of Soft Cell

The wind in my hair

And the black in my eyes

I was holding back tears

As I reeled with surprise

There was no one to phone

I just chewed at the time

I was waving goodbye

To control of my mind

And the beat of my heart

Marks the passing of time

And I just wanna scream to the sky

There are times when my mind is an explosion of feelings

I'm trying to hold on to the soul inside

I go looking for lies

In your play-the-game eyes

But I couldn't find the way out

The where's or the why's

Should I laugh

Should I cry

Should I live

Should I die?

It's a wild celebration of feelings inside

And the beat of my heart

Marks the passing of time

And I just wanna scream to the sky

And there are times when my mind is an explosion of feelings

I'm trying to hold on to the soul inside

And the beat of my heart

Marks the passing of time

And I just wanna scream to the sky

And there are times when my mind is an explosion of feelings

I'm trying to hold on to the soul inside

And the beat of my heart

Marks the passing of time

And I just wanna scream to the sky

And there are times when my mind is an explosion of feelings

I'm trying to hold on to the soul inside

(I've got to hold on to the soul to the soul to the soul inside)

To the soul Inside...

It's a wild celebration of the feelings inside

(It's a wild celebration of the feelings inside)

It's a wild it's a wild it's a wild celebration of feelings inside

(It's a wild it's a wild it's a wild it's a wild it's a wild)

And it's tearing me...

And it's tearing me up

And it's tearing me up

And it's tearing me up

It's a wild...

It's a wild celebration of feelings inside

It's a wild... it's a wild...

Celebration of feelings inside

And I'm trying to hold on

And I'm trying to hold on

And I'm trying to hold on

Hold on...

Hold hold hold hold on

Feelings... inside...
