Pant Leg

Par Spencer Jon Blues Explosion

Album : Extra Width

Take a whiff of my pant leg, honey-baby

Take a whiff of my pant leg, child

Take a whiff of my pant leg, baby baby baby

Take a whiff of my pant, get down

I said nothing is working for you

I said, Working to you

I said, Working to you

Baby, baby, baby

Come on

Whoo

Ahhhh

Take a whiff of my pant leg, baby

Take a whiff of my pant leg, honey-child

Take a whiff of my pant leg, baby baby baby

Take a whiff of my pant, get down

Six o'clock

Seven o'clock

Eight o'clock

Well, all right

That's when you got something

Take a whiff of my pant leg, baby

Take a whiff of my pant leg, honey-child

Take a whiff of my pant leg, baby baby baby

Take a whiff of my pant, get down

Take a whiff of my pant leg, baby

Take a whiff of my pant leg, baby

Take a whiff of my pant leg, baby

Pant leg

Pant leg

Pant leg, baby

Pant leg, woah

You forget
