Fucken' Awesome

Par Spiderbait

Album : Spiderbait - Greatest Hits

You're fucken awesome

You're fucken awesome

You're fucken awesome

You're fucken awesome

Just diggin' ya now

I'm diggin' ya now

I'm just diggin' ya now

I'm diggin' ya now

Don't wanna walk away

I couldn't anyway

You fill my empty day

You know you make me stay 'cause

You're fucken awesome

And you're fucken awesome

And you're fucken awesome

And you're fucken awesome

Just diggin' ya now

I'm diggin' ya now

I'm just diggin' ya now

I'm diggin' ya now

Don't wanna walk away

I couldn't anyway

You fill my empty day

You know you make me stay 'cause

You're fucken awesome

You're fucken awesome

You're fucken awesome

You're fucken awesome

Don't wanna walk away

I couldn't anyway

You fill my empty day

You know you make me stay 'cause

Don't wanna walk away

I couldn't anyway

You fill my empty day

You know you make me stay 'cause
