Molly (Sixteen Candles)

Par Sponge

Album : 90's Pop Hits [Disc 2]

Seen you naked in the bath

Cigarette stains on your hands

Wilted flowers in a vase

I ask how are you? Yeah, how are you?

I see your lipstick on your glass

And I think you're drunk, I start to laugh

I find your note, the letters ran

It said, "I loved you, yeah, I loved you"

Don't ask why

(Don't ask why)

Don't ask why

(Don't ask why)

Don't ask why

(Don't ask why)

Don't ask why

Don't ask why

Sixteen candles down the drain

I watch you passed out for awhile

Touch your face and start to smile

And on your note is my reply

I wish I'd loved you, I wish I'd loved you

Don't ask why

(Don't ask why)

Don't ask why

(Don't ask why)

Don't ask why

(Don't ask why)

Don't ask why

Don't ask why

Sixteen candles down the drain

The drain

(Sixteen candles down the drain)

The drain

(Sixteen candles down the drain)

The drain

(Sixteen candles down the drain)

The drain

Don't ask why

Don't ask why

Don't ask why

Don't ask why

Don't ask why

Don't ask why

Don't ask why

Don't ask why

Sixteen Candles down the drain

The drain

(Sixteen candles down the drain)

The drain

(Sixteen candles down the drain)

The drain

(Sixteen candles down the drain)

The drain, the drain, the drain
