# Oh Baby

Par Status Quo

*Album : The Frantic Fours Final Fling Live At The Dublin O2 Arena*

Oh baby, why don't you come home?

Oh baby, don't you leave me alone

Oh baby, been away for far too long

When you get home, gonna sing you this song

They're gonna know 'cos you've been treating me wrong

Oh baby, been away for far too long

Oh baby, why don't you come home?

Oh baby, don't you leave me alone

Oh baby, been away for far too long

When you get home, gonna sing you this song

They're gonna know 'cos you've been treating me wrong

Oh baby, been away for far too long
