In & Out Of My Life (Jake Tarry Remix)

Par Steff Da Campo

Album : Spinnin' Sessions Miami 2020

Can't you see I don't need you around

When I think of you, it brings me down

I turn my back and you're at my door

What can I say?

I don't need you no more

You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life

You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life

No, no

You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life

You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life

No, no

Yeah

Yeah In and out

Yeah

In and out of my life

Always thinking about the times we had

Some were good, but most were bad

You said you loved me oh so much

Your lips quivered from my slightest touch

Wrote to you a dear john letter

I thought that it would be better

But it seems you didn't understand

You're still thinking that you are my man

You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life

You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life In and out.In and out

In and out

In and out

In and out of my life

In and out.In and out of my life

Yeah yeah.Yeah yeah.You keep coming in and out of my life

I just can't understand why

You keep coming in and out of my life

Keep coming in and out of my life.I just can't understand why

You keep coming in and out of my life No
