# Sir Duke

Par Stevie Wonder

*Album : Hitsville U.S.A. Vol. II Disc 2*

Music is a world within itself

With a language we all understand

With an equal opportunity

For all to sing, dance and clap their hands

But just because a record has a groove

Don't make it in the groove

But you can tell right away at letter A

When the people start to move

**They can feel it all over**

But they can feel it all over people

**They can feel it all over**

They can feel it all over people, no, yeah

Music knows that it is and always will  
Be one of the things that life just won't quit  
But here are some of music's pioneers  
That time will not allow us to forget now

For there's Basie, Miller, Satchmo  
And the king of all, Sir Duke  
And with a voice like Ella's ringing out  
There's no way the band could lose

**You can feel it all over**

**You can feel it all over people**

**You can feel it all over**

**You can feel it all over people**

**You can feel it all over**

**You can feel it all over people**

**You can feel it all over**

You can feel it all over, yeah go

**You can feel it all over**

**You can feel it all over people**

**You can feel it all over**

**You can feel it all over people**

**You can feel it all over**

**You can feel it all over people**

**You can feel it all over**

I can feel it all, all, all-all-all over now people

Can't you feel it all over?

Come on, let's feel it all over people

**You can feel it all over**

Everybody all over people, go
