You Are The Sunshine Of My Life

Par Stevie Wonder

Album : Rainbow Room New York City

You are the sunshine of my life

That's why I'll always be around

You are the apple of my eye

Forever you'll stay in my heart

I feel like this is the beginning

Though I've loved you for a million years

And if I thought our love was ending

I'd find myself drowning in my own tears

You are the sunshine of my life

That's why I'll always stay around

You are the apple of my eye (love has joined us)

Forever you'll stay in my heart (love, sweet love)

You must have known that I was lonely

Because you came to my rescue

And I know that this must be heaven

How could so much love be inside of you?

You are the sunshine of my life, yeah

That's why I'll always stay around

You are the apple of my eye (love has joined us)

Forever you'll stay in my heart (love, sweet love)

(Love has joined us) you are the sunshine of my life, baby

(Love has joined us) that's why I'll always stay around

(Love, sweet love)
