Father Time

Par Stratovarius

Album : Visions Of Europe - Live

Walking down the path that leads me to my memories

Pacing all the way without a care in my stride

Where are the friends of my yesterday?

Have they moved on with their lives?

Can we still laugh, joke about things like before?

There's no need to hide the past that I have left behind

It's a good resource somewhere for me to find

Why am I waiting for someone to reach out?

It couldn't be all up to them

Keeping in touch ain't that easy but I'll have to try

Where have all the years gone?

That's what I am asking now

What have I learnt so far?

Tell me, Father Time, tell me now

Now I understand I'll take from time what I need

And I store it inside it's there for me to find

Oh, I can't deny that the years will pass by

But it won't bother me

'Cause now I will set out to realize my dream

Where have all the years gone?

That's what I am asking now

What have I learnt so far?

Tell me, Father Time, tell me now

Oh-oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh-oh

Yeah

Where have all the years gone?

That's what I am asking now

What have I learnt so far?

Tell me, Father Time

Where have all the years gone?

That's what I am asking now

What have I learnt so far?

Tell me, Father Time...
