Album : 538 00's Top 1000 [Editie 2025]

Yesterday I worked from 9 to 5

Caught in a trap

To keep myself alive

Everyday I ask the question why

The search for the key

To the song alive

Now I know the way

To give my life a meaning

Living for today

Owhow I love that feeling

Everyday, let your music play

Now the time is right

Tonight is the night

Now I'm free

Let it be
