# Could This Be Real

Par Sub Focus

*Album : Could This Be Real - EP*

I've seen it always in my dreams,

I tried so hard so you'd believe,

**But now that I'm gone,**

**I'm feeling like this could be real,**

**I'm feeling like this could be real,**

I'm feeling like this could be real, Real, Real...

**But now that I'm gone,**

I'm feeling like this- feeling like this, Real, Real...

Feeling like this, Cou-could, Like This, Real, Real...
