All Yours

Par Submotion Orchestra

Album : Finest Hour

Could it be you, calling me down

My foolish heart, turns out the stars

All that I am, is all that you see

You don't need nobody else

And you're putting this all on me

Forgetting that

There's no greater love, just open your eyes

Just hold out your hand, and place it in mine

Forever it's you, forever it's me,

You don't need nobody else it's all yours but you fail to see

It's all yours,

It's all yours,

It's all yours,

You don't need nobody else because all that you need is me

You give to me, body and soul

Reading between the cracks in the walls

So we have no time, times all we need

You don't need nobody else and I know that you still believe

You never come, come when I call

You never run, when I trip and fall

I lye awake, I lye awake forever more

You don't need nobody else, it's all yours but you fail to see

It's all yours,

It's all yours,

It's all yours,

You don't need nobody else because all that you need is me
