# Shape

Par Sugababes

*Album : Angels with Dirty Faces [Bonus Tracks]*

I live my life in chains

Got my hands in chains

And I can't stick with the cards

That I got with a deal Like this

I must insist

That a girl's got more to do

Then be the way you think a woman should

I'm taking it into my own hands

In this man's land I can understand

Why I'm taking command

I've had enough of stuff

And now it's time to think about me, me yeah

**And you can easily gamble your life away**

**Second after second and a day by day**

**You play the game or you walk away**

**It's a new turn on a blue day**

**And a cool deal of life for me**

**And it's all good**

**I know that the spades are the swords of a soldier**

(Soldier)

**I know that the clubs are weapons of war**

**I know that diamonds mean money for this art**

**But that's not the shape of my heart**

I've always played it safe nothing's ever safe

Give me the courage to back my own convictions

Every decision I make I pay it back and more

Now turn the cards and let them fall to me

'Cause I don't need to play on with the hand that they have given me

I'll give it back 'cause it's not the way it has to be

**And you can easily gamble your life away (Gamble your life away)**

**Second after second and a day by day (Day)**

**You play the game or you walk away**

**It's a new turn on a blue day**

**And a cool deal of life for me**

**And it's all good**

**I know that the spades are the swords of a soldier**

(Soldier)

**I know that the clubs are weapons of war**

**I know that diamonds mean money for this art**

**But that's not the shape of my heart**

**That's not the shape**

The shape of my heart

My heart

**That's not the shape**

**And you can easily gamble your life away**

**Second after second and a day by day**

**You play the game or you walk away**

**It's a new turn on a blue day**

**And you can easily gamble your life away (Gamble your life away)**

**Second after second and a day by day (Day)**

**You play the game or you walk away**

**It's a new turn on a blue day**

**And a cool deal of life for me**

**And it's all good**

**I know that the spades are the swords of a soldier**

(Soldier)

**I know that the clubs are weapons of war**

**I know that diamonds mean money for this art**

**But that's not the shape of my heart**

That's not the shape of my heart

Shape of my heart
