Something 4 The Weekend

Par Super Furry Animals

Album : Songbook Vol 1

First time, I did it for the hell of it

Stuck it on the back of my tongue and then swallowed it

Second time, things are getting easier

Blow me down, this wind's getting breezier

Third time lucky, maybe feeling fuzzy

Oh my God, we're getting hippy dippy

Five, six, seven, man, I'm in heaven

And I'm growing my beard before it gets sheared

You're on my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind

On my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind

First time, I did it for the hell of it

Stuck it right up and that was the end of it

Second time, things are getting easier

Hairs on the back of my neck are getting stickier

Third time lucky, perversely body

Doctor I'm ill, please pass me the brandy

Five, six seven, I heard George Foreman say

"Stone horses loose, fast women frighten"

You're on my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind

On my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind

I just keep repeating myself

I just keep repeating myself

I just keep repeating myself

I just keep repeating myself

I just keep repeating myself

I just keep repeating myself

(Oh yeah, 'cause)

You're on my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind

On my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind

You're on my mind every day and every night

And you'll never go away 'cause I know you're here to stay

For the rest of my mind
