Cannonball

Par Supertramp

Album : The Best of

You're tellin' lies
So don't you criticize
Yeah, I got used
All messed up and abused
You let me down
With all your runnin' round
Still you pretend
And try to call me friend

Don't say a word
I know just what I heard
Yeah you've been loose
You just go no excuse
Just feel my rage
Why can't you come of age

I felt it all

Just like a cannonball

Then you got mad

You said that I'm all bad

So what's the use

You lied and that's the truth

You took the key

And drove right out on me

I never knew

Put all my trust in you

OK that's it

I'm leaving now, I quit

I was unwise

So don't apologize

I paid the price

For taking your advice

I felt it all

Just like a cannonball (Yeah, like a cannonball)

You can say what you want all day

But I've never been so outraged

I'm washing my hands of you

How could you be so untrue

You know I can't stand no more

You know I can't stand no more

I can't stand no more

Can't stand no more

No
