# I WAS BORN TO LOVE YOU

Par SUSANNE

Album : *PACK GRINGO*

I was born to love you

With every single beat of my heart

Yes, I was born to take care of you

Every single day

Alright, hey, hey

I was born to love you

With every single beat of my heart

Yes, I was born to take care of you

Every single day of my life

You are the one for me

I am the man for you

You were made for me

You're my ecstasy

If I was given every opportunity

I'd kill for your love (hey)

So, take a chance with me

Let me romance with you

I'm caught in a dream and my dreams come true

It's so hard to believe, this is happening to me

**An amazing feeling coming through**

**I was born to love you**

**With every single beat of my heart**

Yes, I was born to take care of you, honey

**Every single day of my life**

I wanna love you

I love every little thing about you

**I wanna love you, love you, love you**

**Born to love you**

**Born to love you**

**Yes, I was born to love you**

**Born to love you**

**Born to love you**

**Every single day of my life**

**An amazing feeling coming through**

**I was born to love you**

**With every single beat of my heart**

**Yes, I was born to take care of you**

**Every single day of my life**

**Yes, I was born to love you**

**Every single day of my life**

Woo! I love you, babe

Yeah, born to love you

Yes I was born to love you, hey

I wanna love you, love you, love you

I wanna love you, hey, yeah

It's magic

I get so lonely, lonely, lonely, loney yeah!

I wanna love you, love you, love you

Yeah give it to me
