# Perfect Enemy

Par t.A.T.u.

*Album : t.A.T.u. - The Best*

Why should I welcome

Your domination

Why should I listen

To explanations?

I'm not pretending

To make it simple

Try to be something

**Experimental**

**You don't turn me off**

**I will never fail**

**Things I loved before**

**Are now for sale**

**Keep yourself away**

**Far away from me**

**I forever stay**

**Your perfect enemy**

No longer waiting

Remove illusions

No more complaining

Forget confusion

No more compassion

Not sentimental

I am now something

**Experimental**

**You don't turn me off**

**I will never fail**

**Things I loved before**

**Are now for sale**

**Keep yourself away**

**Far away from me**

**I forever stay**

**Your perfect enemy**

**You don't turn me off**

**I will never fail**

**Things I loved before**

**Are now for sale**

**Keep yourself away**

**Far away from me**

**I forever stay**

**Your perfect enemy**

**You don't turn me off**

**I will never fail**

Things I loved before

Are now for sale

Keep yourself away

Far away from me

I forever stay

Your perfect enemy...
