# Treacherous (Taylor's Version)

Par Taylor Swift

*Album : Red (Taylor's Version)*

Put your lips close to mine  
As long as they don't touch  
Out of focus, eye to eye  
'Til the gravity's too much  
And I'll do anything you say  
If you say it with your hands  
And I'd be smart to walk away  
But you're quicksand

**This slope is treacherous**

**This path is reckless**

**This slope is treacherous**

And I-I-I like it

I can't decide if it's a choice

Getting swept away

I hear the sound of my own voice

Asking you to stay

All we are is skin and bone

Trained to get along

Forever going with the flow

But you're friction

**This slope is treacherous**

**This path is reckless**

**This slope is treacherous**

**I-I-I like it**

**Two headlights shine through the sleepless night**

**And I will get you, I'll get you alone**

**Your name has echoed through my mind**

**And I just think you should, think you should know**

**That nothing safe is worth the drive**

**And I would follow you, follow you home**

**I'll follow you, follow you home**

**This hope is treacherous**

This daydream is dangerous

**This hope is treacherous**

I-I-I, I-I-I

I-I-I

**Two headlights shine through the sleepless night**

**And I will get you, I'll get you alone**

**Your name has echoed through my mind**

**And I just think you should, think you should know**

**That nothing safe is worth the drive**

**And I would follow you, follow you home**

**I'll follow you, follow you home**

**I'll follow you, follow you home**

I'll follow you, follow you home

This slope is treacherous

I-I-I like it
