TOSSIN FETA (Paused)

Par Terror Reid

Album : TOSSIN FETA

A serial killer comes about by circumstances and like a-, a recipe

These things, you know, uh, contribute to a person, uh, to a persons frustration and anger, and at some point in life, he explodes

Welcome

Bitch, ay, ay

Nah, I ain't thinkin' 'bout it, bitch, I'ma let it go

They playin' wit' me, I'ma sink 'em wit' the fuckin' fo'

Break in the door, takin' everything you fuckin' own

Gettin' my loan, then I shake 'em 'fore the pigs close

I feel the pressure, but I ain't ever gonna slip

Line my pock?ts wit' the credit, tossin' feta at th? honey dip

Pull out my money clip, these vogues dancin' on a lip

I ain't stackin' O's, bitch, I'm taking M's

Just peep the silhouette, a monster in the bed

Two shots up in the head 'cause they hatin' what I said

I think they plottin' on the lord 'cause I got the heat

Bet I'ma chop 'em wit' the sword, suckaz get deleted

Ain't gon' repeat it, the supernatural born leader

I'm at ya mommas house poppin' off a millimeter
Ya'll got me cranky, sort of thinkin' I'ma do 'em in
Still takin' over, fuck a loony bin, bitch

Fuck what you said, bitch, I'm out the door

Fuck what your crew said, bitches gettin' choked
Them suckaz tube fed, fuckin' up the show
See how it go, they duckin' down 'cause I said so

Fuck what you said, bitch, I'm out the door

That boy a nuisance, plottin' for the dough
I'm throwin' deuces, jockin' all the hoes
That's how it go, they throw it round 'cause I said so

Damn, he on another one, ringin' like a telethon
Demon like I'm Megatron, yuh
That's who I'm steppin' on
Devil with a weapon, spawnin' seven, never get along, yuh
Stabbin' a vagabond
Your bitch, I'm checkin' on her, watch who ya pressin' on, yuh
Jump off the building I've been sittin' on
Plummet to an infinite oblivion, yuh
