Children Of The Moon

Par The Alan Parsons Project

Album : Silence and I (CD2)

Pay no attention to the writing on the wall

The words seem empty, 'cause there's nothing there at all

We let the wise men beat the drums too soon

We were just children of the moon

No one to turn to

Nowhere to run to even if we could

Too late to save us, but try to understand

The seas were empty, there was hunger in the land

We let the blind man lead the way too long

Easy to see where we went wrong

Nothing to live for

Nothing to die for

We're lost in the middle of a hopeless world

Lost in the middle of a hopeless world

Children, children of the moon

Watch the world go by

Children, children of the moon

Are hiding from the sun and the sky

Children, children of the moon

Watch it all go by

Children, children of the moon

Are blinded by the light in their eyes

No one to turn to

Nowhere to run to even if we could

Follow the pilgrim to the temple of the dawn

The altar's empty and the sacrifice is gone

We let the madmen write the golden rules

We were no more than mortal fools

Nothing to live for

Nothing to die for

We're lost in the middle of a hopeless world

Lost in the middle of a hopeless world

Children, children of the moon

Watch the world go by

Children, children of the moon

Hiding from the sky
