### Gemini

Par The Alan Parsons Project

*Album : Eye In The Sky (ARCD\_8033)*

Pay no attention to the writing on the wall

The words seem Empty cause there's nothing there at all

We let the wise men beat the Drums too soon

We were just children of the moon

**No one to turn to**

Nowhere to Run to even if we could

Too late to save us but try to understand

The seas were empty there was hunger in the land

We let the blind man lead the Way too long

Easy to see where we went wrong

**Nothing to live for**

**Nothing to die for**

We're Lost in the middle of a hopeless world

**Lost in the Middle of a hopeless world**

**Children children of the moon watch the world go by**

Children children of the moon are hiding from the sun and the sky

Children Children of the moon watch it all go by

Children children of the moon are Blinded by the light in their eyes

**No one to turn to**

Nowhere to run to even if we could

Follow the pilgrim to the Temple of the dawn

The altar's empty and the sacrifice is gone

We let the Madmen write the golden rules

We were no more than mortal fools

**Nothing to live for**

**Nothing to die for**

We're lost in the middle of a hopeless world

**Lost in the Middle of a hopeless world**

**Children children of the moon watch the world go by**

Children children of the Moon hiding from the sky
