# A Girl Named Sandoz

Par The Animals

*Album : Animalism*

Well, I met a girl called Sandoz

And she taught me many, many things

Good things, very good things, sweet things

I met her one sunny morning

It was hot but the snow lay on the ground

Strange things, very strange things, my mind has wings

Sandoz, Sandoz who taught me love

Sandoz, Sandoz heaven's above

They could all learn something from your mind

Yeah, baby, come on

She is very old, you may think she's young

One kiss from her, you know your time has come

Good times, for all time, Sandoz, Sandoz, Sandoz, Sandoz
