Thank god it's Friday

The story is true

Dragnet, dragnet

You've got a lot of repressed feelings, don't you Friday?

Don't you Friday?

You've got a lot of repressed feelings, don't you Friday?

Don't you Friday?

Don't you Friday?

It must be what keeps your hair up

**I carry a badge**

**I carry a badge**

Dragnet, dragnet, dragnet, dragnet, dragnet, dragnet, dragnet, dragnet, dragnet, dragnet, dragnet

**My name is Friday**

**I carry a badge**

**My name is Friday**

**My name is Friday**

**I carry a badge**

**My name is Friday**

**I carry a badge**

**Thank god it's Friday**

The story, the story is true

Dragnet, the story is true

**Dragnet, you've got a lot of repressed feelings, don't you Friday?**

**Don't you Friday?**

**Dragnet, you've got a lot of repressed feelings, don't you Friday?**

**Don't you Friday?**

**Don't you Friday?**

**It must be what keeps your hair up**

**Just the facts mam**

**The story is true**

Just the facts mam, just the facts

**Just the facts mam**

Dragnet

**My name is Friday**

**My name is Friday**

**Do you think I'm kidding about that?**

Almost never, almost never, never, never

**My name is Friday**

Almost never, almost never

**Thank god it's Friday**
