This Wheel's On Fire

Par The Band

Album : Rock Of Ages (The Band In Concert)

If your memory serves you well

We're going to meet again and wait
So I'm going to unpack all my things
And sit before it gets too late
No man alive will come to you
With another tale to tell
And you know that we shall meet again

If your memory serves you well

This wheel's on fire, rolling down the road

Best notify my next of kin

This wheel shall explode

If your memory serves you well, I was going to confiscate your lace

And wrap it up in a sailor's knot and hide it in your case

If I knew for sure that it was yours, and it was oh so hard to tell

And you know that we shall meet again if your memory serves you well

This wheel's on fire, rolling down the road

Best notify my next of kin

This wheel shall explode

If your memory serves you well, you'll remember that you're the one

Who called on them to call on me to get you your favours done

And after every plan had failed and there was nothing more to tell

And you know that we shall meet again if your memory serves you well

This wheel's on fire, rolling down the road

Best notify my next of kin

This wheel shall explode
