Hallelujah, I Love Her So

Par the beatles

Album : Youngblood (1960-1963)

Let me tell you 'bout a girl I know
She's my baby and I love her so
Every morning when the sun comes up
She brings me coffee in my favorite cup

That's how I know

Yes I know

Hallelujah, I just love her so

When I call her on the telephone
She says me "baby, I'm all alone"
Before I count from 1 to 4
She'll be knocking at the door

Every evening when the sun goes down

And there ain't nobody else around

She kisses me and she holds me tight

And says "baby, everything is alright"

That's how I know

Yes I know

Hallelujah, I just love her so

Hallelujah, I just love her so

Hallelujah, yeah

I just love that chick so
