I've Just Seen A Face

Par the beatles

Album : The Beatles - Help

I've just seen a face

I can't forget the time or place that we just met

She's just a girl for me

And I want all the world to see that we've met

Had it been another day

I might have looked the other way

And I'd have never been aware

But as it is I'll dream of her tonight

Falling, yes I'm falling

And she keeps calling

Me back again

I have never known the like of this

I've been alone and I have

Missed things and kept out of sight

For other girls were never quite like this

Falling, yes I'm falling

And she keeps calling

Me back again

Falling, yes I'm falling

And she keeps calling

Me back again

I've just seen a face

I can't forget the time or place that we just met

She's just a girl for me

And I want all the world to see that we've met

Falling, yes I'm falling

And she keeps calling

Me back again

Falling, yes I'm falling

And she keeps calling

Me back again
