Not Guilty

Par the beatles

Album : White Album And Esher Demos (50th Anniversary)

Not guilty

For getting in your way

While you're trying to steal the day.

Not guilty

And I'm not here for the rest,

I'm not trying to steal your vest.

I am not trying to be smart,

I only want what I can get.

I'm really sorry for your aging head.

But like you heard me said:

Not guilty.

Not guilty for being in your street

Getting under your feet

No use handing me a writ

While I'm trying to do my bit.

I don't expect to take your heart.

I only want what I can get.

I'm really sorry that you're underfed.

But like you heard me said:

Not guilty.

Not guilty

For looking like a freak,

Making friends with every Sikh.

Not guilty

For leading you astray

On the road to Mandalay.

I won't upset the apple cart.

I only want what I can get.

I'm really sorry that you've been misled.

But like you heard me said:

Not guilty.
