Within You Without You / Tomorrow Never Knows

Par the beatles

Album : 1+

We were talking, about the space between us all
And the people, who hide themselves behind a wall of illusion
Never glimpse the truth, then it's far too late when they pass away
We were talking, about the love we all could share
When we find it, to try our best to hold it there, with our love
With our love we could save the world, if they only knew
Try to realize it's all within yourself, no-one else can make you change
And to see you're really only very small

And life flows on within you and without you

We were talking, about the love that's gone so cold
And the people who gain the world and lose their soul
They don't know, they can't see, are you one of them?
When you've seen beyond yourself
Then you may find peace of mind is waiting there
And the time will come when you see we're all one

And life flows on within you and without you
