You Can't Do That

Par the beatles

Album : A Hard Day's Night [Stereo]

I got something to say that might cause you pain

If I catch you talking to that boy again

I'm going to let you down and leave you flat

Because I told you before

Oh, you can't do that

Well, it's the second time I've caught you talking to him

Do I have to tell you one more time? I think it's a sin

I think I'll let you down (let you down)

And leave you flat (going to let you down and leave you flat)

Because I told you before

Oh, you can't do that

Everybody's green

'Cause I'm the one who won your love

But if they'd seen you talking that way

They'd laugh in my face

So, please listen to me if you want to stay mine

I can't help my feelings, I go out of my mind

I'm going to let you down (let you down)

And leave you flat (gonna let you down and leave you flat)

Because I told you before

Oh, you can't do that, no

(You can't do that)

(You can't do that)

(You can't do that)

(You can't do that)

(You can't do that)

Everybody's green

'Cause I'm the one who won your love

But if they'd seen you talking that way

They'd laugh in my face

So, please listen to me if you want to stay mine

I can't help my feelings, I go out of my mind

I'm going to let you down (let you down)

And leave you flat (gonna let you down and leave you flat)

Because I told you before

Oh, you can't do that!
