Swan Song

Par The Bee Gees

Album : The Bee Gees Mythology The 50th Anniversary Collection

This is my swan song

Whatever I do now, I do it well

This is my swan song

I fell in love with you, I love you well

And if the Lord provides the music for the world around to sing

My love will build a castle in the air

This is my last chance

A chance to show the world that I am strong

This is my last dance

Im walking off the floor where I belong

And if the Lord provides the music for the world around to sing

My love will build a castle in the air

La la la la la...

La la la la la...

And if the Lord provides the music for the world around to sing

My love will build a castle in the air

This is my swan song

I fell in love with you, I love you well

I love you well

I love you well
