Horror Show

Par The Birthday Massacre

Album : Nothing & Nowhere

They're getting ugly

They're a horror show

And now we're laughing

Because they'll never know

That they have everything

We give them all of our own

And they tell us they're sick and they're all alone

They make fools of us together but we always think of them

All their laughing and their talking and their wasting of our time

And it always hurts to see them now that everything is different

We don't like to see their eyes 'cause they will never look the same

They shut the door

We fell far behind

We try forgiveness

But they cross the line

And now the moment has passed

And we can't rewind

We are dead long before we run out of time

They make fools of us together but we always think of them

All their laughing and their talking and their wasting of our time

And it always hurts to see them now that everything is different

We don't like to see their eyes 'cause they will never look the same

They make fools of us together but we always think of them

All their laughing and their talking and their wasting of our time

And it always hurts to see them now that everything is different

We don't like to see their eyes 'cause they will never look the same
