Expressway to Your Heart

Par The Blues Brothers

Album : Complete

I've been trying to get to you for a long time
Cause constantly you've been on my mind
I was thinking 'bout a short cut that I could take
But I found I made a mistake

I was wrong

It took too long

I got caught in a rush hour

Fellows started to shower

You with love and affection

Now you won't look at my direction

On the expressway to your heart

That expressway that's the best way

At five o'clock it's much too crowded (Too crowded)

Much too crowded (Too crowded)

Much too crowded (Too crowded)

Too crowded for me

Couldn't get through to you baby

Oh, it's too crowded

Well there're too many in back of me

And they're all tryin' to get in front of me

I was thinking I saw a road up ahead

But I saw a stoplight instead
