I Hate.com

Par The Butchies

Album : 3

She says lonely rents videos

Hand it over love your radio

Maybe it's fine for you to drown

Disquiet

I'm not the only one

Who sits outside the sun

Action action passive activism

Action take 2000 and 10

Nuh-uh inside your head

Yeah water instead

'cuz I'm not the only one

Who sits outside the sun

Save yourself sell yourself

Not no one else

What's the matter with mergers baby

Freedom is not anarchy

Fuel your fires pretty pinksters

Get un-lonely

I'm not the only one...
