Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else

Just remember to fall in love

There's nothing else

There's nothing else
