Time And Space

Par The Cinematic Orchestra

Album : Ma Fleur

Every soul

Comes to this earth

Carried on angels wings

To human birth.

Born of love

Or born of hate

Each one is heaven sent

To human fate.

Dream... little girl dream

Dream... little boy dream

Dream.

In joy and pain

Each born will grow.

For wisdom is so much more

Than what we know.

And every child

Will find their way

Of living their own life story

Day by day.

Dream... little girl dream

Dream... little boy dream

Dream.
