Janet

Par The Commodores

Album : Gold - CD2

Tearing me apart

Somehow I just don't care

She's playing with my heart

But Janet's so aware

And people tell me, she keeps telling you lies

I guess they wonder how I stand it, oh

But when I look in her eyes

I know it's love the way I planned it, I believe in Janet

Janet, they don't understand it

The whole world must be wrong

I gave my heart to Janet

And she won't lead me on, Janet, oh, Janet

There could never be
Another girl like Janet
It's only her and me
Together on this planet

And people tell me, she keeps telling you lies

I guess they wonder how I stand it, oh, yeah

But when I look in her eyes

I know it's love the way I planned it, I believe in Janet

Janet, they don't understand it

The whole world must be wrong

I gave my heart to Janet

And she won't lead me on, Janet, oh, Janet

Why can't they see
Without her there'd be no reason to go on and on
As long as she stays with me
I'll keep holding on, I believe in Janet

Janet, they don't understand it

The whole world must be wrong

I gave my heart to Janet

And she won't lead me on

Janet, Ja-Janet, they don't understand it

The whole world must be wrong

I gave my heart to Janet

And she won't lead me on

Janet, they don't understand it

The whole world must be wrong

I gave my heart to Janet

And she won't lead me on

Janet, they don't understand it

The whole world must be wrong
