For Given Not Forgotten

Par The Corrs

Album : The Best of

All alone, staring on

Watching her life go by

When her days are gray and her nights are black

Different shades of mundane

And the one-eyed furry toy that lies upon the bed

Has often heard her cry

And heard her whisper out a name long forgiven

But not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're not forgotten

A bleeding heart torn apart

Left on an icy grave

In the room where they once lay, face to face

Nothing could get in their way

But now the memories of a man are haunting her days

And the craving never fades

She's still dreaming of a man long forgiven

But not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're not forgotten

Still alone, staring on

Wishing her life goodbye

As she goes searching for the man long forgiven

But not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're forgiven, not forgotten

You're not forgotten

You're not forgotten

No, you're not forgotten
