Aloha From Hell

Par The Cramps

Album : Rocking n Reelin in Auckland New Zealand

I'm gonna take a week off

Gonna go to Hell

Send ya a postcard

Hey, I'm doin' swell

Wish you were here

Aloha from Hell

I'll be dancin' through the flames

Like a devil in disguise

You can hear me sing

But not by satellite

You can hear me sing

Aloha from Hell

I'm gonna get a lei
Ring o'fire 'round my neck
Big ol' she-devil kiss
Hell, What the heck?

I'm packin' my duds

Aloha from Hell

I'll be glad to get away
Up here everything's so swell
You know some like it hot
And down there it's hot as Hell

Don't forget to write now

Aloha from Hell

Aloha from Hell

Aloha from Hell

I said, Aloha from Hell
