### Name of the Game

Par The Crystal Method

*Album : Tweekend Advance*

Listen all you muthafuckers

Listen all you muthafuckers

That's the name of the game

That's the name of the game

That's the name of the game

That's the name of the game

Yo

Top of the crown

Rape the queen

The fatal mistake in your cradle

Can't shake the dreams of

Fire inside of your phonograph

Battered with gas

And give you room to breathe

Through an adequate mask

Everybody in front

Let me see ya pumpin' ya fists

If you up in the back room

When you rockin' with this

Come on

Keepin' ya speaker knockin'

Jumpin' bangin' bumpin' blazin' hot

**Callin' all freaks**

**Callin' all freaks now**

Yo yo

**Callin' all freaks**

**Callin' all freaks now**

**That's right**

**That's the name of the game**

**That's the name of the game**

**That's the name of the game**

**That's the name of the game**

**Callin' all freaks**

**Callin' all freaks**

**Callin' all**

**Callin' all**

Callin'

**That's right**

**Get 'em up in the back room**

**Get 'em up in the back room**

I said get 'em up in the back room

Mutha-fucka

**Callin' all**

**Callin' all**

**Callin' all**

**Callin' all**

**Callin' all**

**Callin' all**

**Callin' all**

**Callin' all**

Thats the name of the game

Calling all freaks

**That's the name of the game**

**Calling all freaks now**

**That's the name of the game**

Yo yo calling all freaks now

That's the name of the game

Calling all freaks now
