### Edie (Ciao Baby)

Par The Cult

*Album : 2006.03.04 - House Of Blues, San Diego, CA*

Always said you were a youthquaker, Edie

A stormy little world shaker

Oh, Warhol's darling queen, Edie

An angel with a broken wing

**The dogs lay at your feet, Edie**

Oh, we caressed you cheek

Oh, stars wrapped in your hair, Edie

Life without a care

But your not there

Oh, caught up in an endless scene

Yeah, paradise a shattered dream

Oh, wired on the pills you took, Edie

Your innocence dripped blood, sweet child

**The dogs lay at your feet, Edie**

Oh, we caressed your cheek

Oh, stars wrapped in your hair

Oh, life without a care

Ciao baby

Shake it, boy

Oh, sweet little sugar talker

Paradise dream stealer

Oh, Warhol's little queen, Edie

An angel with a broken wing, oh

**The dogs lay at your feet, Edie**

Oh, we caressed your cheek, well

Stars wrapped in your hair

Life without a care yeah, yeah, yeah

Don't you know paradise takes time?

**Ciao baby, yeah**

Ciao baby

**Ciao baby, yeah**

Ciao baby
