Electric Ocean

Par The Cult

Album : 2006.03.15 - First Avenue, Minneapolis, MN

Oh yeah

Ah-ah

Oh yeah

Standin' at the shore

A hurricane calls my name

Beyond all I dream

The electric ocean

Oh yeah

Ah-ah

Oh yeah

The spirit is free

Where the wild things roam

Next to the sea

The electric ocean

Ocean of love (ocean of love)

I'm thinkin' of (I'm thinkin' of)

The place to be (the place to be)

Electric sea

Oh, yeah, yeah, yeah, yeah

Ocean of love (ocean of love)

I'm thinkin' of (I'm thinkin' of)

The place to be (the place to be)

Electric, electric sea, ow, yeah

Ocean of love

I'm thinkin' of

The place to be

The electric sea

Ocean of love, yeah baby (ocean of love)

I'm thinkin' of (I'm thinkin' of)

The place to be (the place to be)

The electric, the electric sea
