Fire Woman

Par The Cult

Album : 2006.03.19 - The Emerald Theatre, Mt. Clemens, MI

Fire, yeah

Woah, yeah

Shake, shake, shake, shake it, yeah

Wound up, can't sleep, can't do anything right, little honey

Oh, since I set my eyes on you

I tell you the truth

T-t-t-twistin' like a flame in a slow dance, baby

You're driving me crazy

Come on, little honey

Come on now

Fire

Smoke, she is a rising fire, yeah

Smoke on the horizon, well

Fire

Smoke, she is a rising fire

Oh, smokestack lightning

Smokestack lightning

Well, shake it up, you're to blame, got me swayin' little honey

My heart's a ball of burnin' flame

Oh, yes it is

Prancing like a cat on a hot tin shack

Lord, have mercy

Come on little sister

Come on and shake it

Fire

Smoke, she is a rising fire

Oh, smoke on the horizon, yeah

Fire

Smoke, she is a rising fire

Oh, smokestack lightning, baby

I was thinking

What I've been missing

I'll tell you truthfully, well

She's coming close now

Oh, I can feel her

She's getting close to me

And I never, yeah

Fire

Smoke, she is a rising fire

Oh, smoke on the horizon

Fire

Smoke, she is a rising, rising, rising fire

Smokestack lightning

A-j-j-j...

Burnin' out

And shake it, baby

Come on and burn it

I say send down fire to me

Say send down fire to me

Say send down fire to me, yeah

Fire woman, you're to blame

Fire woman, you're to blame

Fire woman, you're to blame

Fire woman, you're to blame
