Seemed Like a Good Idea at the Time (live at Wembley, 2004)

Par The Darkness

Album : Permission to Land... Again

We may not get back what we had, what I threw away

But you know I would do anything, anything you say

Across a 1000 miles of broken glass on my hands and knees

I would crawl if for a moment we could cease hostilities

But it seemed like such a good idea at the time

Such a very, very good idea at the time

So they scream

I don't know where I am

I don't know where I went wrong

I don't know where to start again

I don't know where I am

I don't know where I went wrong

I don't know where to start again

Now the dream is over and lately I have found

That you only seem to come alive when I am not around

But it seemed like such a good idea at the time

Such a very very good idea at the time

I don't know where I am

I don't know where I went wrong

I don't know where to start (and again)

I don't know where I am

I don't know where I went wrong

I don't know where to start (and again)

Well, it seemed like such a good idea at the time

Such a very very good idea at the time

I don't know where I am

I don't know where I went, I don't scream

I don't know where to start again

I don't know where I am

I don't know where I went wrong

I don't know where to start

Okay
