I Hate You, I Love You

Par The Dead Milkmen

Album : 1994 - Chaos Rules - Live at Trocadero

Joe:?

Rodney: Get Out?

Joe: Ya, that was me.

(1.2. a 1.2.3.4)

What am I gonna do

When I get close to you?

Wanna hold you next to me

But you bring me misery

I hate you, but I love you (x2)

Let's go to see a show

Which one well I don't know

Will you make up your mind

Or are you gonna waste my time

I hate you, but I love you (x4)

Look back to the time we met

Were things better I forget

You acted different then

I thought you were a friend

I hate you, but I love you (x5)

I hate you, I love you (x2)

Yes, I do
