For You

Par The Disco Boys

Album : The Disco Boys Vol. 10 [Bonus Disc]

I came for you

I came for you

I came for you

I came for you

I came for you

I came for you

I came for you

I came for you

Princess cards she sends me with her regards

Oh barroom eyes shine vacancy, to see her you gotta look hard

Wounded deep in battle, I stand stuffed like some soldier undaunted

To her cheshire smile I'll stand on file, she's all I ever wanted

You let your blue walls get in the way of these facts, honey

Get your carpet baggers off my back

Girl give me time to cover my tracks

You said, "Here's your mirror and your ball and jacks"

But they're not what I came for

Oh I came for so much more

And I know you that too

And I know you know that's true

I came for you

I came for you

I came for you

I came for you

For you

I came for you

I came for you

I came for you

I came for you

For you

I came for you

I came for you

I came for you

I came for you

For you

I came for you

I came for you

I came for you

I came for you

For you

I came for you
