Summer's almost gone

Par The Doors

Album : The Complete Matrix Tapes (disc 4)

Summer's almost gone

Summer's almost gone

Almost gone

Yeah, it's almost gone

Where will we be

When the summer's gone?

Morning found us calmly unaware

Noon burn gold into our hair

At night, we swim the laughin' sea

When summer's gone

Where will we be

Where will we be

Where will we be

Morning found us calmly unaware

Noon burn gold into our hair

At night, we swim the laughin' sea

When summer's gone

Where will we be

Summer's almost gone

Summer's almost gone

We had some good times

But they're gone

The winter's comin' on

Summer's almost gone
