# Whatcha See Is Whatcha Get

Par The Dramatics

*Album : The Best of the Dramatics (Remastered)*

Some people are made of plastic

And you know some people are made of wood

Some people have hearts of stone

Some people are up to no good

But baby, I'm for real

I'm as real, as real can get

If what you're looking for is real loving

**Then what you see, is what you get**

**What you see (what you see)**

**Is what you get (is what you get)**

**What you see (what you see)**

**Is what you get (is what you get)**

**I said what you see (what you see)**

**Is what you get, now baby (is what you get)**

**And the real thing is the best thing yet (the best thing yet)**

You know some people

Are made of lies to bring you down

And shame your name

And baby, I have good intentions (good intentions)

'Cause breaking hearts, just ain't my game (breaking hearts ain't my game)

All I want to do is love you

And sugar, I won't fill you with regret

If what you're looking for is real loving (real loving)

**Then what you see, is what you get**

**What you see (what you see)**

**Is what you get (is what you get)**

**What you see (what you see)**

**Is what you get (is what you get)**

**I said what you see (what you see)**

**Is what you get, now baby (is what you get)**

**And the real thing is the best thing yet (the best thing yet)**

**What you see (what you see)**

Is what you get (is what you get) (look at me now)

**What you see (what you see)**

**Is what you get (is what you get)**

**I said what you see (what you see)**

**Is what you get (is what you get)**

Everyday now, what you see (what you see)

**Is what you get (is what you get)**
