Kissin' in the Back Row of the Movies

Par The Drifters

Album : Simply the Best of the 70's

Your mama says that through the week

You can't go out with me

But when the weekend comes around

She knows where we will be

Kissin' in the back row

Of the movies on a Saturday night with you

Holdin' hands together, you and I

Holdin' hands together

Smoochin' in the back row

Of the movies on a Saturday night with you

We could stay forever, you and I

We could stay forever, you and I

Huggin' and a kissin' in the back row of the movies

Every night, I pick you up from school

Cause you're my steady date

But Monday to the Friday night

I leave you at the gate, yeah

You know, we can't have too much fun

'Til all your homework's done

But when the weekend comes

She knows where we will be, oh

Kissin' in the back row

Of the movies on a Saturday night with you

Holdin' hands together, you and I

Holdin' hands together, baby

Smoochin' in the back row

Of the movies on a Saturday night with you

We could stay forever, you and I

We could stay forever, you and I

Huggin' and a kissin' in the back row of the movies

Oh, I sit at home at night and watch TV

I still think of you

But Monday to the Friday night

We share a joke of two, yeah

You know, they don't knock on my door

At the Friday night for sure

But when the weekend comes

She knows where we will be, yeah

Kissin' in the back row

Of the movies on a Saturday night with you

Holdin' hands together, you and I

Holdin' hands together, baby

Smoochin' in the back row

Of the movies on a Saturday night with you, yeah

We could stay forever, you and I

We could stay forever, you and I

Huggin' and a kissin' in the back row of the movies, yeah

Kissin' in the back row

Of the movies on a Saturday night with you

Holdin' hands together, you and I

Holdin' hands together, baby

Smoochin' in the back row

Of the movies on a Saturday night with you

Where we could stay forever, you and I
